

SECONDARY LEARNING LEADERS 2020-2021

Leading in a Culture of Belonging

Last year, your learning leader team identified a focus area for your team to engage in collaborative inquiry. NLPS Learning Services supported your focus with a grant to enhance your inquiry. This year, you are invited to continue to develop this same inquiry, with some further exploration. 2020/2021 grants will be reduced, but these funds can be used to augment last year's grants.

Schools teams must commit to:

- Attending 4 District Learning Leader sessions in the 2020/2021 school year.
Sessions will be from 4:00-6:00pm, with dinner provided.
 - Wednesday, November 4
 - Wednesday, February 3
 - Wednesday, April 7
 - Wednesday, May 5
- All Learning Leaders in attendance at district meetings
- Communicating information from District sessions to school staff and learning teams
- Principal/Vice – principal team in attendance

Where applicable, use the **NLPS Cycle of Inquiry for Professional Learning** as a framework for your inquiry
