

Using Formative Data to Inform our Inquiries

Scanning

What is going on for our learners as a whole class?

What is going for some individual learners?

Focusing

What is your hunch about what is happening for these learners?

Where will focusing your efforts make the most difference?

How are you contributing to the situation?

New Action

What can you do with the whole class to address the needs?

What can you do with some individuals to address their needs?

What can you do differently to make enough of a difference?

New Learning

What resources will you use to support your action plan?

What new learning will you do to better support your students in the area of focus?
