Strength

Reading with purpose and written response are both areas of considerable strength for Sara. Continue to work at supporting a strong thesis with relevant embedded details. Also, we will be working on informal, personal composition and poetry second term, which should provide the opportunity for growth. It is a pleasure to teach you!

Josh made improvements in his writing over the first term, specifically in his use of supporting details around a thesis.

Smoothly transitioning from quotations to his own words is an area on which he should focus second term. We will be reading poetry soon and it would help if Josh could read aloud to support his comprehension. It is a pleasure to have him in my class.
