

# Coast Salish Shed Wall Model Kit

**Stands**  
(or use playdough)

**4 poles**

**strops**

**7  
planks**

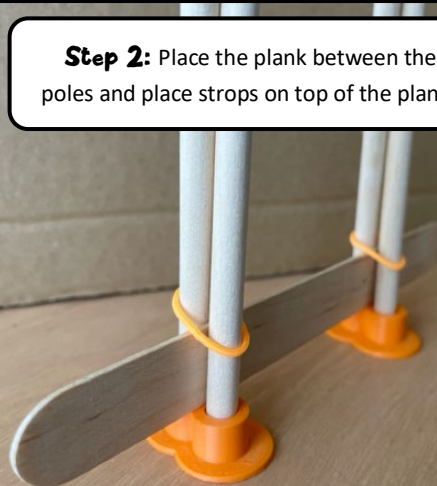

**Completed  
Wall**

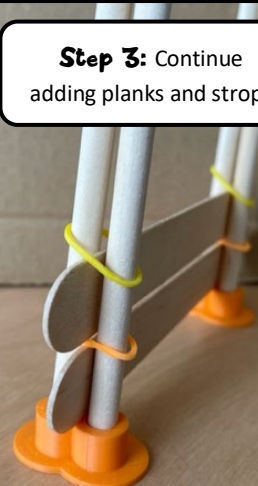

**Step 1:** Place the poles in the stands

**Step 2:** Place the plank between the poles and place strops on top of the planks

**Step 3:** Continue adding planks and strops

**Step 4:** Press the boards together so they overlap

**Step 5:** Finish with strops wrapped around the poles 2x
