

How do I know which students have parental consent for the applications in the Tech Bundle?

Updated: November 2021

Tech Bundle Consent

Parents will need to fill out a consent form allowing their child to use specific district-approved cloud services and applications. When a signed form is returned by the parent, school clerical staff will go into MyEd and click the **permission Allow Internet Access? = Yes**.

The following is a list of cloud services and applications parents are consenting to:

Microsof 365 A3 Education	Book Creator	Nearpod
Google Workspace for Education	TexHelp Read & Write	Newsela
Desmos	Vernier	Padlet
IXL	Minecraft Educaiton	Adblock
Khan Academy	ESL Library	CSFirst
Flipgrid	Quizlet	Scratch
Sketch Up	Storyboard That	Nimbus
Adobe Creative Cloud	Peardeck	

For K-12: Log In to MyEd

Path: Student (top tab) > click Field Set Icon (grid box)

Click on the arrow (▽) in the column header, "Internet Access" to sort by YES / NO.

Secondary Only: How do I sort students by course?

Path: **Student** (top tab) > Click **Filter Icon** > Click **Course -Section = ?**

Enter the **course code** (Eg: MSS--10-S-06 or MEN--11-Y-01) > click **Submit**
